Why Sponsor our Golf Day?

Being a teenage girl is hard. But being a teenage girl growing up in poverty, being bullied or facing challenges at home is even harder.

Love4Life supports girls facing challenges such as these. We deliver individual support and 17 weekly group sessions that empower young people to know their worth and understand that they can achieve whatever they put their minds to.

We support nearly 600 girls each year across Leicester, Derby and North Leicestershire. To continue this, we need support from businesses like yours. Will you help us by sponsoring our event?
